

## High Grade Goods EAS Security Stop Lock(F013)

F013 Stop Lock		
	Model	
	Function	
	Inner Diameter	5mm/6
	Color	Red / Yellow
	Dimension	39
	Lock	Sta
	Weight	
	Packing	1000pcs/ctn

The stop lock are mainly used in the anti-theft and display of goods in supermarkets and other large shopping places to ensure the safety of goods without affecting the appearance of goods and customers' shopping experience.

our stop lock uses the brand new ABS material, and the production process is carried out by multiple assembly lines at the same time, which can greatly improve the work efficiency. Before delivery, the stop lock will be professionally and comprehensively tested to ensure its anti-theft performance and ensure that it can work normally.

The stop lock is mounted on the board or nail board. The length of the stop lock can be customized according to customer requirements.
