Ink pin can be used in anti-theft in supermarkets, clothing, library, mobile phone stores, bags, retail products, cosmetics, etc. This kind of tag is not easy to pull apart, once pulled apart, the ink will spill on the goods or clothes. Ink pin are widely used abroad.

The ink pin comes in a brand new ABS plastic case, and the ink can be customized in any color. Ink pin are common in clothing stores and are very effective against theft. The normal service life can be used for more than six years, and its detection range is excellent.

The production process of ink pin is carried out by multiple assembly lines, semi - artificial semi - mechanical mode of work, greatly increase the output of ink pin. At the same time, in order to

prevent the label shell from falling off, we will use ultrasonic welding reinforcement. In order to ensure the ink pin anti-theft performance, we will also carry out full inspection before shipment.
