Our factory has been committed to the development and production of hard labels for more than 20 years, and this kind of labels are mainly used in supermarkets and some retail stores to prevent theft. In order to meet the different needs of customers, we will also customize the LOGO, color and shape of the label.

Every raw material in the hard tag is selected with the best quality. This kind of label can completely meet the customer's standard in terms of anti-theft performance and detection distance. The quality

is also very resistant to falling.

We are all completed by the production line, from the purchase of raw materials to the assembly of accessories, to ultrasonic welding to finish the final product, are all operated by professionals. In order to ensure that the label can work normally, we will also carry out full inspection of the hard tag, so that it absolutely has excellent anti-theft performance.
