Our EAS hard tags are widely used in supermarkets, clothing stores, cosmetics stores, digital stores, libraries, etc. It is mainly used together with the EAS system, which will send out an alarm if a customer takes the product out of the store without opening the label. Hard tags also have a long service life.

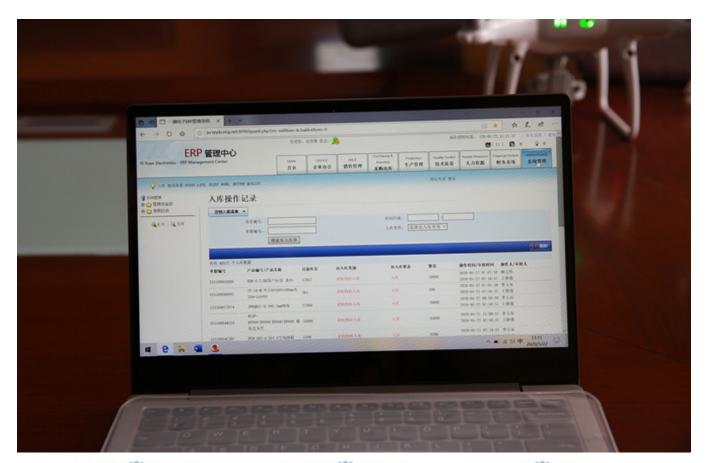

The inner coil or other raw materials used by our hard label are of the highest quality. The new ABS material makes the anti-theft performance of the hard label better.

Every step of our hard tag production is completed by professionals, assembly line production plus semi-mechanized production, greatly increasing the output of hard tags. High quality raw materials make the label more resistant to falling, and full inspection also makes its anti-theft performance more guaranteed.
