Anti-theft Super Tag II with High Performance(HA009)

Our EAS hard tags are widely used in supermarkets, clothing stores, cosmetics stores, digital stores, libraries, etc. It is mainly used together with the EAS system, which will send out an alarm if a customer takes the product out of the store without opening the label. Hard tags also have a long service life.

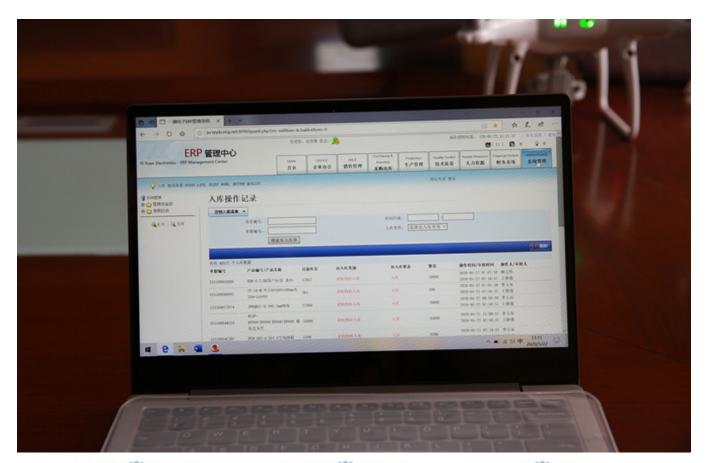

Every raw material in the hard tag is selected with the best quality. This kind of label can completely meet the customer's standard in terms of anti-theft performance and detection distance. The quality is also very resistant to falling.

Our hard tag production process is standard assembly line production, which greatly improves production efficiency. Ultrasonic welding is used to make the hard tag shell stronger. At the same time, we will carry out full inspection after the finished products are assembled to ensure that each label can work normally.

VIEW MORE

Each of our salesmen has an ERP account. The ERP system records each order placed by the customer, and also records the progress of each order, from the purchase of raw materials to the delivery of finished products.
