EAS System Store Super Tag(HA012)

Our EAS hard tags are widely used in supermarkets, clothing stores, cosmetics stores, digital stores, libraries, etc. It is mainly used together with the EAS system, which will send out an alarm if a customer takes the product out of the store without opening the label. Hard tags also have a long service life.

Every raw material in the hard tag is selected with the best quality. This kind of label can completely meet the customer's standard in terms of anti-theft performance and detection distance. The quality is also very resistant to falling.

We are all completed by the production line, from the purchase of raw materials to the assembly of accessories, to ultrasonic welding to finish the final product, are all operated by professionals. In order to ensure that the label can work normally, we will also carry out full inspection of the hard tag, so that it absolutely has excellent anti-theft performance.

VIEW MORE

Each of our salesmen has an ERP account. The ERP system records each order placed by the customer, and also records the progress of each order, from the purchase of raw materials to the delivery of finished products.
