Transparent ink tag with pin can be used in anti-theft in supermarkets, clothing, library, mobile phone stores, bags, retail products, cosmetics, etc. This kind of tag is not easy to pull apart, once pulled apart, the ink will spill on the goods or clothes. Transparent ink tag with pin are widely used abroad.

The transparent ink tag with pin comes in a brand new ABS plastic case, and the ink can be customized in any color. Transparent ink tag with pin are common in clothing stores and are very effective against theft. The normal service life can be used for more than six years, and its detection range is excellent.

The production process of transparent ink tag with pin is carried out by multiple assembly lines, semi - artificial semi - mechanical mode of work, greatly increase the output of transparent ink tag with pin. At the same time, in order to prevent the label shell from falling off, we will use ultrasonic welding reinforcement. In order to ensure the transparent ink tag with pin anti-theft performance, we will also carry out full inspection before shipment.
