The clip tag are mainly used in the anti-theft and display of goods in supermarkets and other large shopping places to ensure the safety of goods without affecting the appearance of goods and customers' shopping experience.

our clip tag uses the brand new ABS material, and the production process is carried out by multiple assembly lines at the same time, which can greatly improve the work efficiency. Before delivery, the clip tag will be professionally and comprehensively tested to ensure its anti-theft performance and ensure that it can work normally.

The clip tag is mounted on the board or nail board. The length of the clip tag can be customized according to customer requirements.
